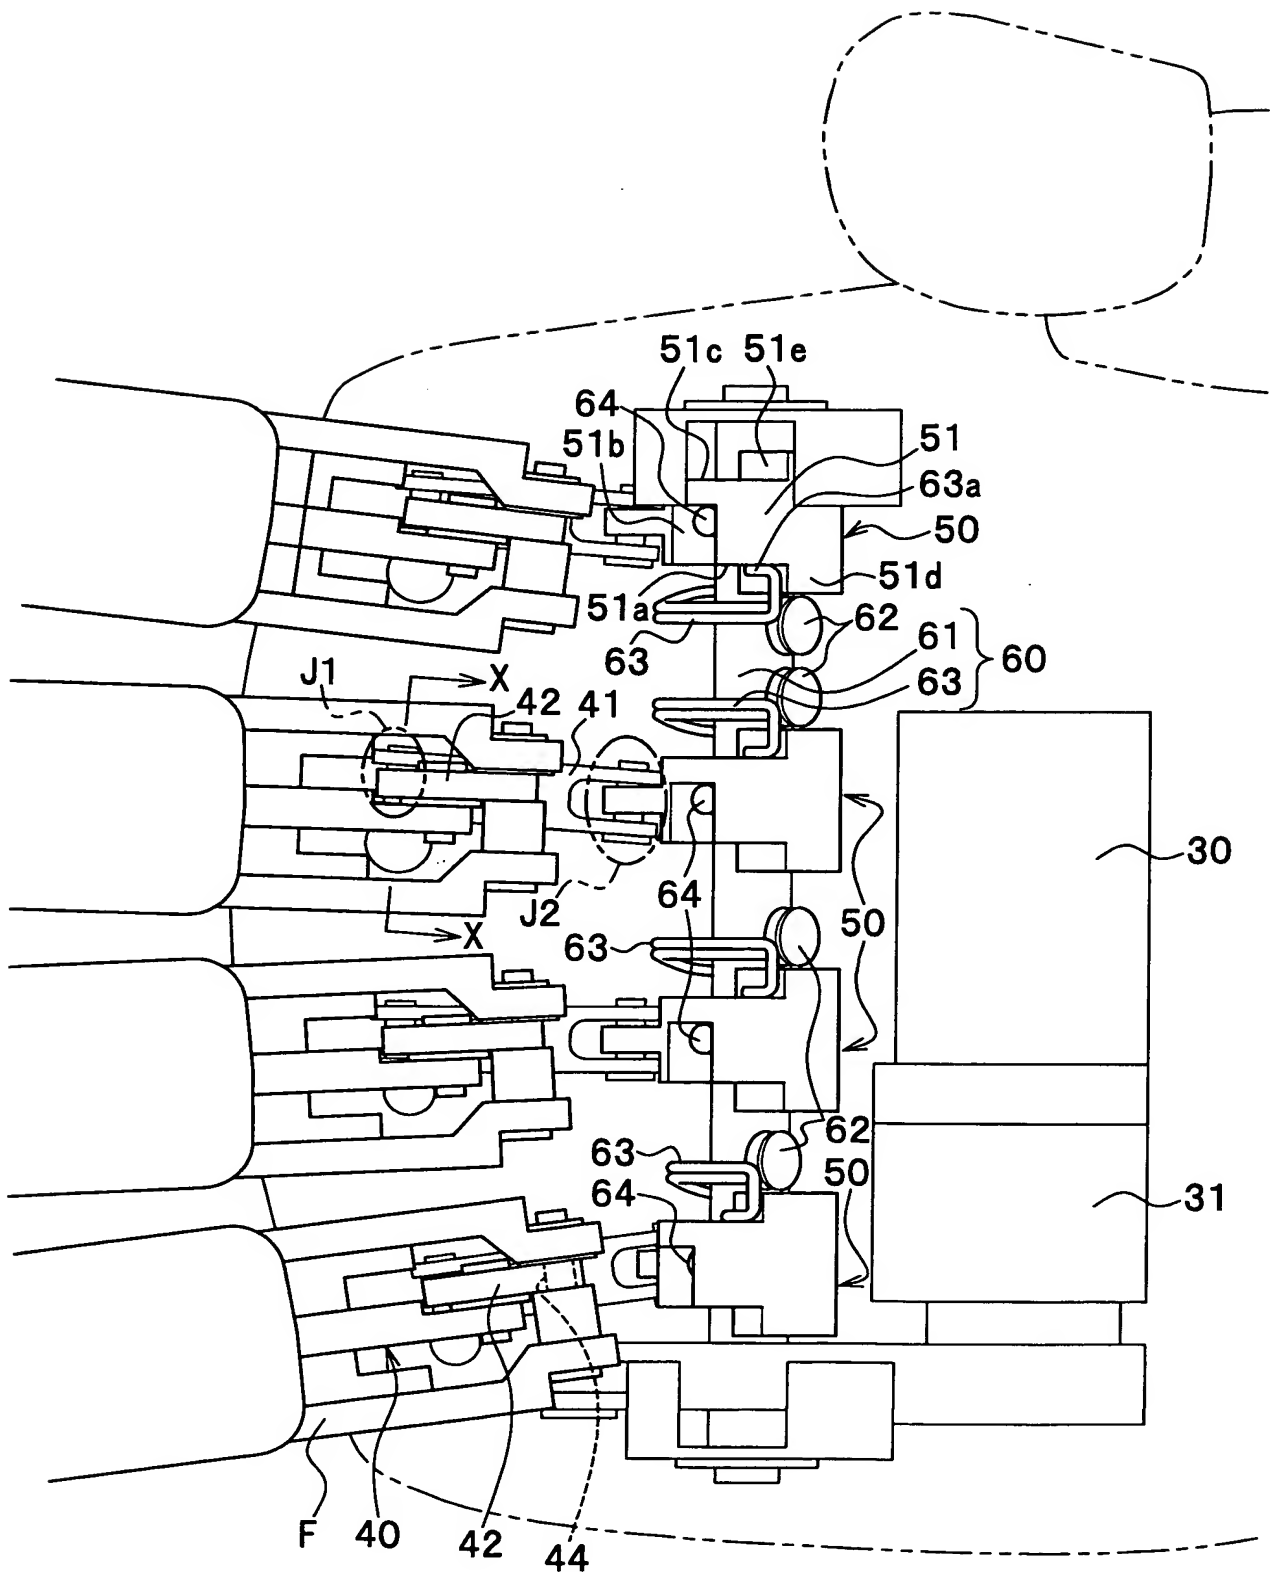

FIG. 5

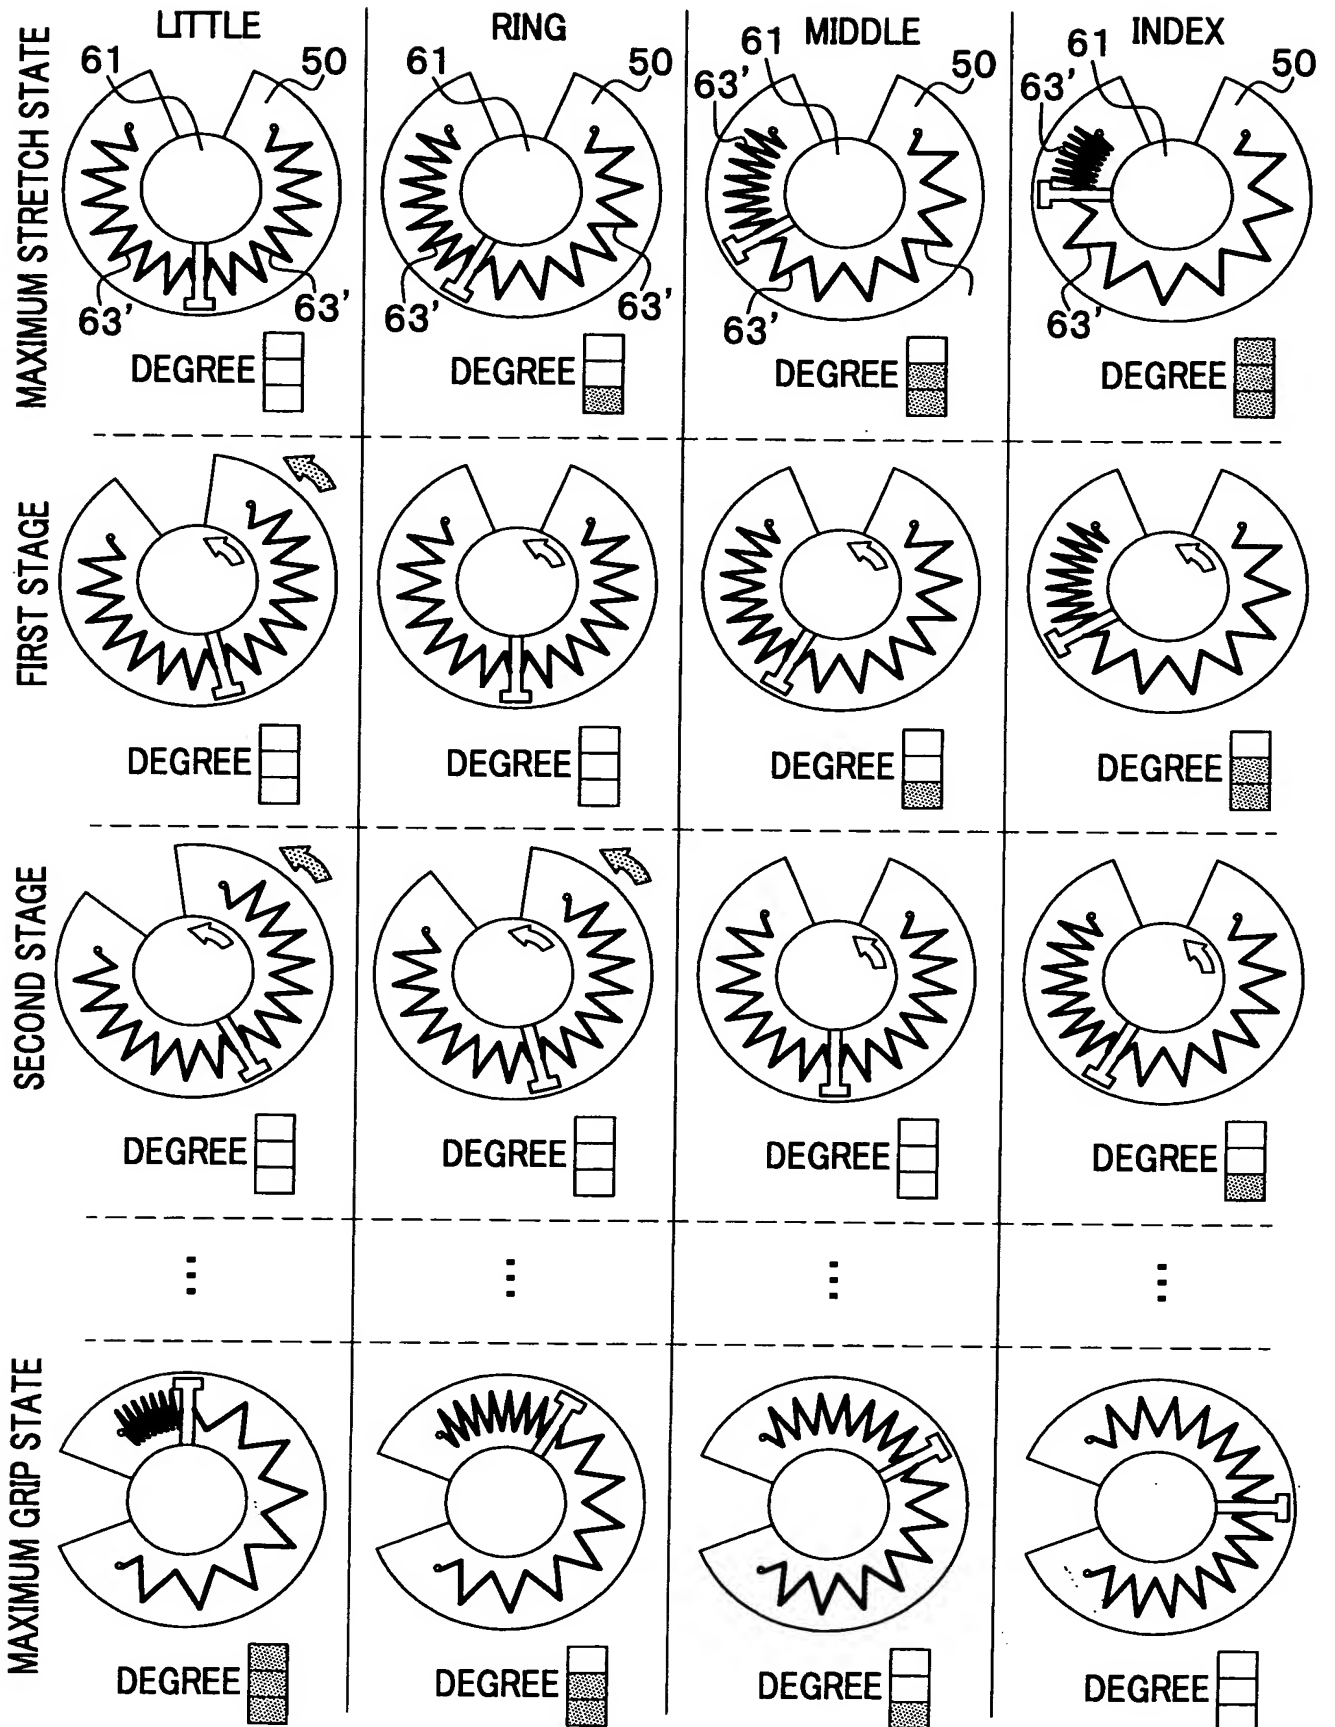

Fig. 1 is a perspective view of a vehicle interior. It shows a row of four seats, labeled 20. On the side of the seat backrests, there is a control panel, labeled 10. The panel 10 is shown in two positions: a solid line outline and a dashed line outline, indicating it can be folded down. The panel 10 includes four circular controls, labeled 11, and four rectangular controls, labeled 12. A label 10a points to the top edge of the panel, 10b points to the circular controls, 10c points to the rectangular controls, and F points to the bottom edge of the panel. The seats 20 are shown with a dashed line indicating the backrest position.
